

**We Invite You to Join ILGISA in 2010...
As an
Exhibitor and/or Sponsor!**

Registration for Fall 2010 Now Underway!

October 20-21, 2010 – NIU Naperville Campus, Naperville, IL

The Illinois GIS Association (ILGISA) invites you to participate at their 2010 Fall Conference. Goals of the conference program are to bring together researchers, developers, users, faculty and students, and practitioners to identify common issues, solve shared problems, and foster interdisciplinary discussions and research in all aspects of geographic information systems.

Since 1994, the Illinois GIS Conference has been a regional leader in providing education and information about GIS methods, research, and technologies. Participants who attend are professionals from Illinois and surrounding states, utilizing GIS technology. They are decision makers, managers, and staff employed in state and local government, utilities, education, health care, social services and public safety.

As the largest gathering of geospatial professionals in the region, you will find the ILGISA conferences to be an excellent opportunity to increase visibility and exposure within the Illinois geospatial community. Having a presence at the conference solidifies your position as an important leader in geospatial technologies and provides a forum to communicate with a targeted audience of professionals.

These conferences bring together representatives from government agencies, academia, nonprofits, and businesses that have an interest in geospatial research, applications and news in Illinois and mid-western region. On behalf of the Illinois GIS Association, we extend an invitation to exhibit at Fall 2010 Conference, October 20-21, 2010 at the NIU Naperville Campus, Naperville, IL

We are again committed to making vendor exhibits a significant focus of the conference. Should you have any questions, concerns or feedback please send to me at tlrogers@niu.edu.

PLEASE NOTE: Booth space is limited at both locations! We are limiting the number of exhibitors based upon our location and membership feedback. REGISTER EARLY TO ENSURE YOUR SLOT!

Why should your company reserve a booth at ILGISA's 2010 GIS Conference's?

- ✚ ILGISA's conference has a strong history in the region of attracting decision-makers and knowledgeable professionals
- ✚ GIS professionals will come to the conference to purchase, recommend and authorize purchases
- ✚ Exclusive opportunities to interact with attendees in the exhibit hall
- ✚ GIS professionals will flock to this conference to compare and contrast products and services on the exhibit floor
- ✚ Reinforce your company's position, or introduce your presence, in the marketplace
- ✚ Strengthen your relationships with your current customers
- ✚ Meet and build relationships with prospective customers
- ✚ Establish business partnerships with other vendors

Attendees want to meet with suppliers of:

- ✚ Computer hardware
- ✚ Data providers/resellers
- ✚ Database management software and services
- ✚ Document management hardware, software or services
- ✚ Educational services/publishing
- ✚ GIS and IS consulting services
- ✚ GIS software and GIS application development
- ✚ GPS and GIS data collection equipment
- ✚ Mapping and data conversion
- ✚ Mobile and wireless data collection devices
- ✚ Satellite image processing software, data or services
- ✚ System implementation & integration products/services
- ✚ Other software and application development

When you purchase an exhibit booth, this is what you receive:

- ✚ One 8'x10' booth, **draped 6 foot table**, two chairs for each exhibitor
- ✚ Electricity and wireless internet access are included
- ✚ Complimentary registration for *two* with access to all conference activities-including all meals **
(If registering as a Non-for-profit or Educational Exhibitor, meals **will not be included** and must be ordered separately)
- ✚ Product and services listing in the conference packet
- ✚ Listing on the conference web site
- ✚ Final conference attendee list emailed directly to you
- ✚ Access to prospective clients

SUPPORT ILGISA'S EDUCATIONAL ENDOWMENT FUND!

Participate in the Silent Auction!

ILGISA has recently formed an *Educational Endowment Fund*. Silent auction proceeds will go entirely towards building this endowment fund, which will in the future provide scholarship funds to deserving students pursuing careers in GIS related fields. **Your participation in this event, by providing a silent auction item, would be greatly appreciated.** Items for auction can be anything you believe will be of interest to others for bid, i.e. sports items, books, pictures, audio/video equipment, etc. The only thing we ask is that items donated be non-company logo items – name recognition will be given at the winner's presentation. Exhibitors are very much encouraged to make bids on items as well. If you are not exhibiting, you may still participate in this worthwhile auction. All donated items will receive a receipt in the mail from ILGISA after the event.

Please indicate if you plan to participate in donating to the following: (circle one or more)

Silent Auction

Raffle Drawing

Please send a copy of your company logo to tlrogers@niu.edu and it must be at least 300dpi.

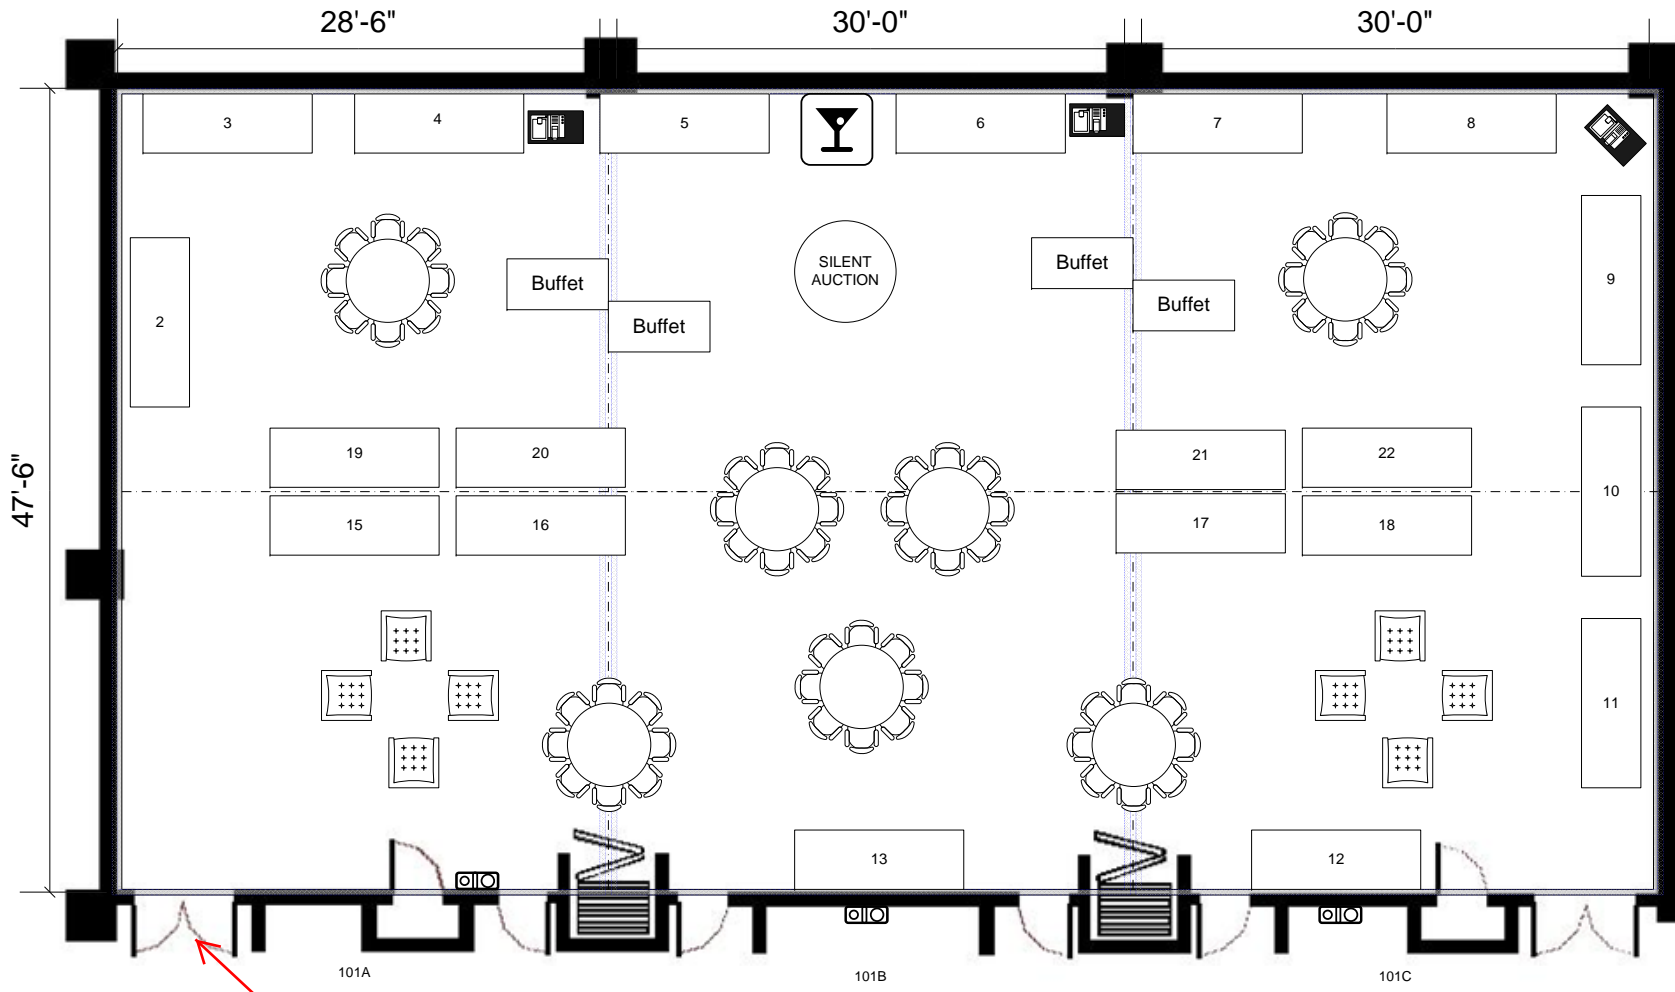

If you have any questions, please call the Executive Director,
 Tracy Rogers at (815) 753-2090
